ADMISSION OF PUPILS.

THE MANNER FOR APPLYING FOR ADMISSION, AND THE ENGAGEMENTS TO BE ENTERED INTO BY THE FRIENDS OF THE PUPILS.

Any person desirous of applying for the admission of a Pupil, may have printed papers of Questions and Engagements at the School, in the following form, to which answers in writing are required, attested as therein specified; and the paper, when properly filled up, must be sent (post-paid) to the Superintendent at the School, in order to its being laid before the Committee. It is required that the parish or friends of the Pupils shall contribute a weekly allowance of Three Shillings towards his or her maintenance; and if the parish or friends be at a distance from Liverpool, then some respectable housekeeper in Liverpool must become responsible for the regular payment of the sum stipulated,

From the numerous applications lately received for the admission of Infants, it is deemed necessary to state, that Females of less than Twelve Years, and Males of Fourteen Years of Age, cannot be admitted into the School, except under very peculiar circumstances.

Q U E R I E S.

To be answered by a Minister, or by the Churchwarden, or Overseer of the Parish, or by the Friends or persons recommending the Candidate.

Who is the person in Liverpool appointed to pay the Parish or Weekly Allowance, and for necessaries which the Pupil may be supplied with?

Will the Friends, or Officers of the Union or Parish to which the Pupil may belong, consent that he may remain in the School, at their expense a sufficient time to learn a trade, and that the time for such purpose shall be left to the discretion of the Committee of this Institution?

Who engages to receive the Pupil, when he has learned one or more Trades in the School, and to assist him in exercising his Trade in the Parish to which he belongs.

N.B.—For these purposes, the persons appointed must give an engagement in writing before the Candidate can be received in the School.

The Trades taught in the School are the following:—BASKET-MAKING—WEAVING—ROPE-MAKING—MAT-MAKING—PLAITING SASH AND BLIND CORD—KNITTING—SEWING—HAIR PLAITING.

Every Pupil must be taught some trade. Is there any particular trade which it is advisable to teach him?

Music is taught in the School to such of the Pupils as the Music-Masters, after trial, recommend; but the Committee have found it inexpedient to place Pupils on the Music List after they have attained the age of sixteen years. The Pupils are also taught to read by means of an embossed type.
